

Looking Ahead to Special June CE Meeting

As we wrap up a successful NABIP Golf Outing and Medicare Summit, we now turn our attention to another great opportunity to connect, learn, and serve our community at our upcoming June Chapter Meeting.

Join the NABIP South Central Indiana Chapter on Thursday, June 11, 2026, in Scottsburg for an informative and engaging morning. This special meeting will feature a two-hour continuing education course, "Social Security and Medicare," presented by Sabine Barrett of Ritter Insurance Marketing. The course offers Indiana-approved continuing education credit and will provide valuable insights into two of the most important topics affecting the clients we serve.

In addition to earning CE credit, attendees will receive chapter updates during our business meeting and enjoy coffee, donuts, snacks, and refreshments while networking with fellow professionals.

This meeting also gives us an opportunity to give back. Members are asked to bring cans of ready-to-eat pasta (think Chef-boyardee) as part of our community outreach effort.

After the excitement of our recent Golf Outing and Medicare Summit, we hope you'll join us as we continue building knowledge, strengthening relationships, and making a positive impact throughout South Central Indiana.

We look forward to seeing you on June 11th!

From The President's Corner

A Minute with our Chapter President, Jessica Croquart

As I write my final newsletter message as your NABIP chapter president, I want to take a moment to thank each of you for your support, involvement, and dedication to our association over the past year. It has been an honor to serve alongside such an outstanding group of professionals.

We are coming off another successful NABIP Golf Outing, where members and partners enjoyed a great day of networking, camaraderie, and fun on the course. Thank you to everyone who participated, sponsored, and helped make the event a success.

Now, we look ahead to our June meeting, which promises to be another valuable opportunity for our members. In addition to connecting with colleagues and hearing important industry updates, attendees will have the opportunity to earn two hours of Continuing Education (CE) credit. We encourage everyone to join us for this special meeting and take advantage of the educational opportunities available.

Thank you again for allowing me the privilege of serving as your president. I hope to see you at our June meeting as we celebrate another successful year and look ahead to an exciting future.
